SHEIKH ABUBAKR FOUNDATION

Scholar Spark Talent Hunt Examination 2024-25

SCHOLARSHIP NOTIFICATION

The Scholar Spark Talent Hunt Exam is a preliminary stage activity to identify the bright students and bring them to the top by providing them with financial assistance and guidance from 8th standard to PG studies. Talents are identified by interviewing high achievers. Sheikh Abubakr Foundation will provide all the educational support they need.

The student who is selected from the 8th class scholarship examination will get the scholarship in 8th, 9th, 10th, grade 11 and grade 12 classes. There will be an opportunity to participate in various guidance and training programs of Sheikh Abubakr Foundation. Apart from that, the student will get the service of a mentor in the field of study.

Meritorious students will continue to receive assistance for degree and PG studies.

SHEIKH ABUBAKR FOUNDATION

Sheikh Abubakr Foundation is an educational NGO that was formed in 2023 to uplift students through scholarships, foster professional growth, and champion economic sustainability, the Foundation stands against the prohibitive cost of higher education. Passionate about driving excellence, Sheikh Abubakr Foundation focuses on crucial areas such as Genetic Science, Artificial Intelligence, Space Science, Finance, Commerce portfolios, and applied economics

SCHOLAR SPARK TALENT HUNT EXAMINATION

The Scholar Spark Talent Hunt Examination is a flagship program under Sheikh Abubakr Foundation, designed for 8th-grade students. The Foundation offers financial assistance and continuous training up to post-graduation in accordance with its norms.

ELIGIBILITY FOR THE EXAM

Students who are studying in eight standard in current academic year (2024-25) are eligible for exam. The student can be from any place, caste, religion, ethnicity, or other backgrounds. Both male and female students can write the exam

PATTERN OF EXAMINATION

This is a 2 hours objective-type physical examination designed to evaluate the students' grasp of concepts in the fields of Mathematical and Numerical Ability, Social Science, General Science, General Knowledge, Language Comprehension. The exams cover areas that are normally taught to students in the 8th standard. All questions are of objective type, and the students need to answer them in an OMR sheet
